This incredibly spacious Lunar Roadstar 786 is based on the Fiat Ductao chassis with 2800cc engine and 5 speed manual transmission. The internal layout provides opposing settees at the front with swiveling front seats - this doubles up as the dining area and also converts to a double bed. The centrally positioned kitchen is equipped with a Dometic fridge/freezer, Caprice Mk 3 Gas oven & hob fitted with a 4 gas burner hob. There is also a microwave and ample cupboard and storage space. The bedroom has a fixed French bed and can be separated from the front of the motorhome by a screen. Behind the bedroom is the end bathroom with separate shower cubicle, cassette type WC,
