A great first family motorhome, the CI Carioca 625 offers generous accommodation in a compact length of just 6.18m. It is based on the popular Fiat Ducato chassis with 5 speed manual transmission and turbo diesel engine. The accommodation is laid out with a double bed over the cab with a large lounge under having a sofa and 4 seater dinette that converts to a further double bed, so sleeping capacity for 5. The side bathroom has a separate shower cubicle, Thetford cassette style WC and basin. The end kitchen features a 4 burner gas hob with grill and separate oven along with a Dometic 3 way fridge/freezer. The heating and hot water are provided by a dual fuel Truma system and other features include: Passenger swivel seat, Reversing Camera, Roof Rails and Ladder, Pioneer CD/Radio, Electric
